

THUNDERBIRD TRUST

BENEVOLENT FUNDING HANDBOOK 2024

**CHIPPEWAS OF THE THAMES
FIRST NATION**

Welcome to the Thunderbird Trust Benevolent Funding Handbook!

Each year the amount for distributions for community projects depends on the revenues realized each fiscal year. Our newly amended Trust agreement allows the ability to effectively plan for the fiscal year by determining the annual income at a minimum of 3% of the market value of the Authorized Investments as held in the Trust Accounts as of December 31st. (see 9.1 b Annual Income for full definition).

We are pleased to inform you that applications for 2024 are now being accepted. The Thunderbird Trust agreement lists benevolent purposes (Sec.8.8) for funding. Below is a summary of the areas qualified for funding;

- | | |
|--|--|
| a) Education | i) Research (COTTFN history) |
| b) Physical/Mental Health | j) Historical (secure artifacts) |
| c) General Health | k) Research (land claims) |
| d) Equipment (health) | l) Relief in disasters (Emergency Policy) |
| e) Athletes | m) Supplement (senior program funds) |
| f) Equipment (recreational) | n) Grave memorials |
| g) Construction/maintenance recreational facilities | |
| h) Culture/language/arts programs | |

Trustees are purposeful in their planning and seek ways to align with the COTTFN Community Comprehensive Plan. Trustees are aware that the funds do not meet all members' needs but do their best to meet a broad amount of needs for both on and off reserve members while maintaining accountability and feasibility. Careful consideration must be made as to those proposals that best fit with the community's current needs.

Please read this handbook carefully before beginning to fill out the application form. We continue to be proud and want to thank the many members who give up their time to provide extra benefit to our community and members through Thunderbird Trust funding.

Miigwech,

Thunderbird Trustees
